## PREFACE

The Subject Index covers the original contributions to the quarterly issues of *THE AMERICAN ANTHROPOLOGIST*, but not the book reviews. The memoirs are covered by general topic, but not in detail. Memoirs are indicated by "Mem." preceding the memoir number.

The compiler of the Index is indebted to a number of people for generous assistance. Especial thanks are due to Miss Bella Weitzner and to Mrs. Ralph Linton.

Publication has been made possible by a grant from the Carnegie Corporation of New York to the American Council of Learned Societies.
